**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep bridge to broadband alive! We needed it in our small rural communities to help create jobs and opportunity. Consumers like I should not have to pay for all the debt that companies like AT&T used to finance takeover simply to prop up a declining business and offer subpar product and services to us. Please help keep the spirit of American competition alive!
